

Recaro operator's chair, the ultimate control center chair for 24/7 use in the control room

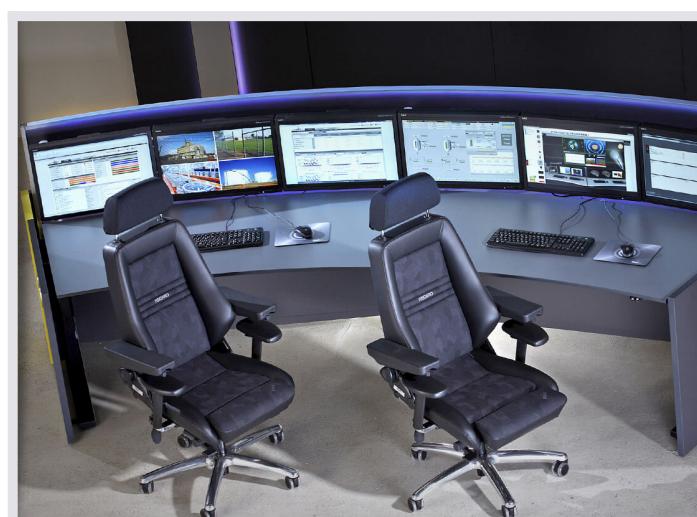

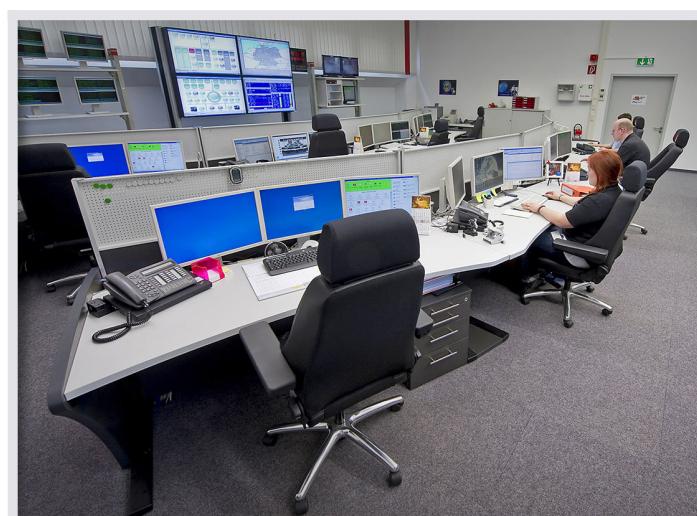

RECARO 24 – the operator's chair that adapts to you. Ideal for 24-hour operation in control rooms and control stations. Because people who spend several hours at a time sitting down, and still need to stay physically and psychologically fit, make very tough demands on their chairs.

- Specially made for 24/7 use
- **24 month warranty** (also for 24/7 use)
- Available in slim and wide versions
- Flexible 3D armrests
- Try it now for free – request a sample chair!

The ultimate Recaro operator's chair for 24/7 use in the control room

RECARO 24 – the operator's chair. A control center chair that leaves nothing to be desired. Non-fatiguing, relaxed working with individually adjustable settings for each user. Superior seating comfort provided by taut upholstery and materials with maximum load-bearing capacity make this control room chair the ideal companion for people who are required to monitor events in the control room with the utmost concentration.
