

It doesn't matter if it's a crisis/conference table, sideboard, large display wall covering or cabinets – we'll take care of everything!

REQUEST A NON-BINDING OFFER

It doesn't matter if it's a crisis/conference table, sideboard, large display wall covering or cabinets – we'll take care of it!

The Stratos X11 Control Room Furniture System is the professional, modular, robust solution for furnishing your control center, control room and control station. We can furnish your control room and your meeting room in your own **individual corporate design**.

REQUEST OFFER

AllMedia conference and meeting tables

Leading furniture designers have designed this multipurpose table **exclusively for JST**. The combination of shape, colours and materials produces durability plus timeless design.

The **AllMedia** is vastly superior to traditional conference tables. The reason: The integrated MultiConsoling® system, through which all sources (such as computers, cameras and television) can be immediately accessed and operated on monitors, large-format displays and projectors.

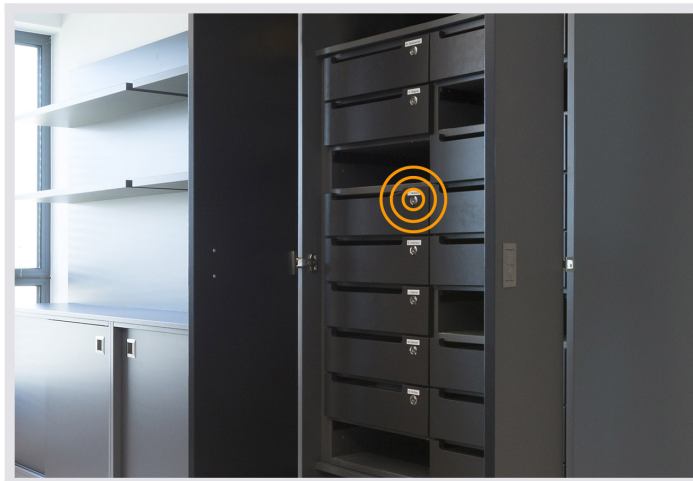

The storage lockers

The storage lockers hold lockable drawers which can be placed under the table top of the Stratos CommandDesk. The storage lockers are designed for shift workers so that everyone can access their personal items securely and quickly right at the work station.

Elegant coverings for display walls

We cover your large-format system to go with the room furnishings. As an option, the covering can also be

supplied as an acoustic covering; this prevents noise from the display walls from entering the control room.
It also reduces the noise level in the entire control room.

REQUEST OFFER

Clean installation

Our performance does not stop on the other side of the wall covering. We make sure that the infrastructure is cleanly installed. Even the technical areas will look good.

Functional furniture

We can equip your control room with functional furniture for individual needs. The unique thing about it: In order to create a completely quiet working atmosphere, not only the wall surfaces but also the furniture is covered with sound-absorbing material.

REQUEST OFFER

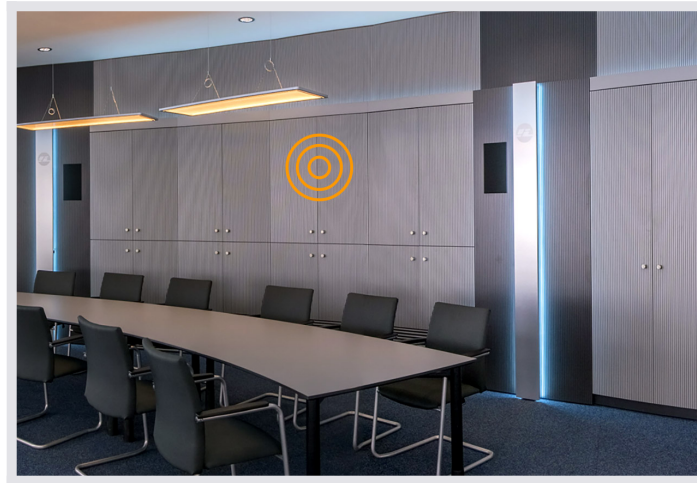

Wall cupboards

The wall cupboards are adapted to the design of your Stratos CommandDesk. The functions and interior fittings of the cupboard systems are planned individually for you.
