

Direction and hotel information

Arrange „test drive“!

 **+49 4161-54044-0**

The visit of the control room simulator is **free of charge**.
We ask for reservation in advance

ControlRoom Simulator

DISCOVER THE FUTURE

Experience the workplace standards of tomorrow already today: various large-screen systems and their control options, JST MultiStreaming® and MultiConsoling®, PixelDetection®, Stratos X11® operator consoles, intuitive touch-screen operation, the latest security concepts, TacticTable®, innovative lighting design, acoustic concepts, etc.

We keep all in mind!

Jungmann Systemtechnik

We look forward to your visit in the control room simulator!

Bahnhofstr. 48-50
21614 Buxtehude
Germany
www.jungmann.de/en

When you reach **Bahnhofstraße**, please use the parking lot located behind the restaurant „Fidelio“.

Please keep to the **far right on the site**, there you will find the signposted JST parking spaces.

To get to our office, please **go back the way to the street and then turn left** towards the city center.

After about 30 meters you will find in front of the pharmacy the entrance of Bahnhofstr. 48-50.

For questions please call: **+49 4161-540 44-0**

Arrival by train

Bahnhofstr. 48-50
21614 Buxtehude
Germany
www.jungmann.de/en

We recommend traveling via **Hamburg Central Station**.
From there, the **S-Bahn (S5)** runs directly to Buxtehude in about 40 minutes. From the station in Buxtehude it is **only a two-minute walk** to the control room simulator.

Directions: When you leave the train station in Buxtehude, please turn diagonally right towards the large intersection. Once there, you will see a **post office building** (opposite is Marktkauf). Please cross the road on the side of the post office building and walk straight ahead down Bahnhofstraße. Between the steak restaurant „Fidelio“ and the pharmacy you will find the entrance door Bahnhofstr. 48/50.

Please also see the illustration on page 2.

Arrival by plane

Bahnhofstr. 48-50
21614 Buxtehude
Germany
www.jungmann.de/en

We recommend Hamburg Airport.

! Due to the tight traffic situation in Hamburg, we suggest to use the S-Bahn connection from Hamburg Airport to Buxtehude. This is the fastest way to visit the control room simulator.

Alternatively:

You will be picked up at the terminal by a **free shuttle service** and taken directly to the control room simulator in Buxtehude, at Bahnhofstr. 48/50.

We will be happy to organize the shuttle service for you by calling **+49 4161-54044-0**. Please add an extra travel time of at least 90 minutes to your check-out time at the airport.
